Good Morning Travis,

I will be out of the office starting next week, but I forwarded your request to my colleagues. Someone from EPA will reach out to you soon.

Best,
Molly

Subject: EPA Class VI

Molly,
CRC is working through a Class VI application for the CalCapture A1-A2 reservoir.

CRC would like to schedule some time with the EPA to introduce the project and discuss the process and expectations.

Is there a time that works best for you all next week?

Many thanks,

TMH
